

Another Upgrade

Contributed by VK2MRP
Saturday, 05 July 2008

Well I have finally done it.... I sat the advance theory today and passed - yippee :)

I will have to keep you posted on what the new callsign will be, hopefully it will not take too long and there is a suitable callsign for me to acquire :)

A big thanks to VK2UX, VK2DC and VK2PJZ for conducting the exam for me.
